Northbrook

2320 Northbrook

Opulent and luxurious, **Northbrook** is named for the place where the Brentano story began. A polished viscose-plus linen warp creates the effect of a glistening river on a sunny day. A super-fine viscose chenille yarn in the weft gives the 54" width Northbrook a polished texture with a smooth, contemporary finish. The matte/sheen interplay provides warmth and a silky luster for each of its 6 exquisite, neutral colorways including Honey Blonde, Jade and Oyster. Northbrook exceeds 50,000 double rubs (Wyzenbeek, Cotton Duck) for fashionable residential and hospitality interiors.
