Raku

## 5822 Raku

Cracked glaze surfaces, unrefined brush strokes and primal firing techniques are interpreted into a 54" upholstery fabric, Raku. This strikingly beautiful, Sunbrella® Contract textile proposes eight innovative color combinations (with four layers of color in the weft) from rustic White Crackle to Copper Patina and avant-garde Smoke. Designed for indoor and outdoor applications, Raku offers stain resistance, bleach cleanability and boasts an abrasion resistance that passes 100,000 double rubs (Wyzenbeek, Cotton Duck). Created with green mindfulness, the pattern has also received an ACT Facts Silver third party certification.
