

## 1211 Pyrenees

A gorgeously textured indoor/outdoor fabric, Pyrenees is a dapper and smart textile that works perfectly with its sister fabrics, Himalaya and Andes. A great choice for residential, hospitality or contract settings, Pyrenees comes in 5 highly useable colorways including Dove, Rock Pool and Charcoal. Made of 100% Solution-Dyed FR Polypropylene, this 54" width, bleach cleanable and bacterial resistant material withstands 100,000 double rubs (Wyzenbeek, Wire Screen), and achieves IMO Wheelmark Certification. For those requiring greater stain resistance, Brentano's Tri-sistant finish can also be applied under our cut yardage finish program.
