Brushstroke

1207 Brushstroke

Continuing the Brentano line of bold indoor/outdoor fabrics with a distinct, artistic look is **Brushstroke**. A designer's choice for a classic upholstery, the 54" width fabric with 9 colorways reminiscent of natural fibers such as linen and wool, passes over 90,000 double rubs (Wyzenbeek, Wire Screen) and IMO upholstery standards. Inviting, understated colors and a soft hand, Brushstroke takes ordinary outdoor spaces to new heights with bleach cleanable performance qualities. Each of the colorways pairs two colors one in the warp and one in the weft that enhance the delicate herringbone design. Brushstroke has IMO Wheelmark certification.
