Windsor

1223 Windsor

Established and striking, Windsor revitalizes the classic chevron weave into an adaptable, multi-use indoor/outdoor upholstery. With 11 thoroughly useable colorways, this 54" width multi-toned fabric is woven with a total of 6 different textured yarns, giving it a unique look and pleasing hand. IMO Wheelmark* certified, it's rich neutrals and bold, bright colors are designed to complement other Wheelmarked fabrics in our line. Bleach cleanable and possessing an abrasion resistance of 100,000 double rubs (Wyzenbeek, Wire Screen), Windsor will add a polished look to any outdoor or indoor applications and as with Polo, it passes ASTM E-84 (unadhered), making it similarly suitable for wall panel applications.
