Dimension

4577 Dimension

Intricate and original, Dimension is the centerpiece of the Odyssey collection. Available in five colorways including Hyperspace, Continuum and Spacetime, Dimension delicately plays with a matte/sheen overlay of threads creating a component of depth and space throughout the design. An abrasion resistance of over 50,000 double rubs (Wyzenbeek, Cotton Duck) and an Incase finish plus an acrylic backing make it perfect for upholstery.
