Effervescence

9627 Effervescence

As elegant as a glass of champagne, Effervescence's slubby viscose-plus-linen warp creates the effect of bubbles rising in a glass. A viscose chenille yarn in the weft gives 54" Effervescence a beautiful texture that's calendered for a smooth, super-chic finish. It's the best of both: warmth with a silky sheen; contemporary with eleven classic, Baroque colors; upholstery and drapery ... air and water. Effervescence exceeds 30,000 double rubs (Wyzenbeek, Cotton Duck) for the social side of elegant, residential interiors.
