Avenue

1204 Avenue

With an intimate blend of viscose and linen, Avenue has an interesting but subtle color combination, like the patina of a well-traveled path. The 56" drapery (and light upholstery) can be treated to pass NFPA 701 and is offered in 8 classic neutrals – from the soft, warm hue of Biscayne to the cool, dark grey of Wall Street. Perfect for open bay windows that line city streets on a sunny day, Avenue lends sophistication to the residential home.
