Lodge

## 1744 Lodge

There's a lot to like about Lodge. The softness of a viscose chenille and cotton weft makes the 54" upholstery a cuddlesome sofa fabric. Plus, with a small-scale, classic chevron pattern in 10 easy-to-use, neutral colorways, Lodge offers the right amount of visual texture for a wide range of interiors. Soft, subtle — and affordable! — Lodge exceeds 75,000 double rubs (Wyzenbeek) to cover the best seats in the house.
