2572 Usonia

Named for a term famously used by Frank Lloyd Wright, Usonia encourages elegant minimalism in a nod to the refined style of the famous Chicago architect. The 54" drapery passes NFPA 701 Test 1 and is constructed with 100% FR-inherent polyester yarns – providing limitless possibilities to commercial spaces. Offered in seven soft neutrals, Usonia has two colors twisted in the tweed, adding a touch of curiosity to the traditional drape.
