2920 Loie

Loie, a 54" drapery with shantung-like slub details, evokes the "unique, ethereal, delicious" quality of Loie Fuller's performances. Called the embodiment of Art Nouveau for combining the flowing movement of skirts and veils in dance with revolutionary theatrical lighting design, Fuller lit up the Paris stage and inspired artists like Toulouse-Lautrec. With fashion-forward lime Absinthe and pink Cyclamen among the 14 colorways, Loie's gentle movements can dress up residential or commercial interiors.
