Ambrosia

## 3005 Ambrosia

The richness of Ambrosia, its strong patterning, luxurious materials and glamorous coloring, serve up drama and flair fit for a modern goddess' home. Available in seven striking colorways like black and white, black and cognac and vibrant peacock blue, Ambrosia's large scale, 34" in vertical and 14" in horizontal repeat pairs the cool sheen of a viscose-weft satin with a weave effect reminiscent of Ikat textiles. Woven on a strong nylon warp, the 54" upholstery textile passes 50,000 double rubs (Wyzenbeek, Cotton Duck) for hospitality and residential settings or can be treated to pass NFPA 701 Test 1 for drapery applications.
