Breeze

3414 Breeze

Nicely textured with an elegant sheen and hand, Breeze's wide color selection (13 colorways) means more options for commercial interiors. Ionic yarns paired with ionic dyes give the 66" wall panel and drapery fabric a linen-like effect while its construction lends excellent air permeability for acoustic applications. Made with 100% polyester (44% of it fire retardant), Breeze passes ASTM E-84 Class A (Unadhered) and US, British and Chinese drapery fire codes for dynamic performance at an affordable price.

FABRIC INFORMATION

ACT Symbols:

Repeat:

Collection:

Affinity Collection

Cleaning:

[Fabric Care](#) » W/S (Water/Solvent)

Width:

66" [168 cm]

Usage:

Panel, Drapery

Contents:

56% Polyester, 44% FR Polyester

Weight:

11 oz [341.04 g/m.]

Finish:
