

4227 Purity

Woven with fine, tightly blended linen and viscose yarns, Purity offers a crisp and refined solution for window treatments. This pattern's intricate 50/50 linen and viscose combination creates a linen hand with a subtle sheen, while a chintz finish adds a polished look. All four soft and airy colorways are pigment-dyed** to create a lightly textured surface with painterly attributes. Offered in 54" width, Purity's contemporary styling delivers elegance at an affordable price point.
