4266 Willow

Deeply rooted in Art Nouveau, Willow's decorative branching tangles across a 52" drapery, leaving just glimpses at what's beyond in a nod to the fantasy experience created by Charles Rennie Mackintosh in the Willow Tearooms. The incredibly thick, dense embroidery starts on a substrate that dissolves, leaving just the polyester yarns. Custom colors are possible for the lace-like pattern, but Brentano currently offers Willow in one colorway, pure Porcelain, as a unique design statement.
