Niagara

4307 Niagara

Gracefully capturing the painterly beauty of falling water, Niagara is a fine, sheer drapery featuring 4 colorways, from delicate sunset pinks to aqueous blues. Offering a soft, elegant presence to any interior project, this 120" double-width, multi-directional textile can be used vertically to a maximum of 120". Niagara is 100% Trevira CS Polyester, passes NFPA 701 Test 1 and BS 5867 Type B, making it suitable for residential, hospitality and commercial design. Modern and captivating, the rippling aesthetic of Niagara adds a sense of subtle dimension to any space.
