Marquee

4558 Marquee

The standout headliner for a design, Marquee reads loud and clear with its bold coloring and dramatic, Greekkey inspired geometry. As compelling up close as from a distance, the 52" upholstery fabric weaves two thick, alternating colors of rayon yarns on a cotton warp. The stitch-like tapestry texture, supported by nylon filament yarns and an acrylic backing, exceeds 50,000 double rubs (Wyzenbeek, Cotton Duck). Teflon finished, Marquee's six inspiring colorways aspire to top billing for hotel and commercial projects.
