Nova

4566 Nova

Nova packs an explosion of triangles into a compact form. Exactly half the size of Brentano's award-winning Equinox in the same seven colorways, Nova undulates from dark to light and back to dark as if lit by its namesake. Cotton lends the fabric its softness and rich coloration, while fine, post-consumer recycled polyester yarns define the pattern. Designed for contract applications, the 54" upholstery has a strong, nylon warp with a GreenShield finish and abrasion resistance over 75,000 double rubs (Wyzenbeek, Cotton Duck).
