6450 Sublime

A sheer beauty, Sublime alludes to nature's grandeur in eight colorways, including lightest Everest, blue-gray Glacier, yellow Sunrise and stormy Typhoon. Although a contract fabric, woven with 100% Trevira and passing NFPA 701 Test 1 at a pretty awe-inspiring price, Sublime would look lovely in living spaces. A raw silk-like texture plays across the double-width, 118" drapery in a subtle horizontal stripe; it's light, airy and simply Sublime.
