

7130 Comet

Woven from a combination of yarns, Comet has a pebbled texture of crater like spots with a depth of color and a touch of iridescence. A rich wool warp and two-color rope like twist of linen and wool, make this 54" width pattern ideal for both upholstery and drapery applications, providing a sophisticated and subtle aesthetic to most any design. Comet passes NFPA 701 with an abrasion over 40,000 double rubs, with six exquisite colorways.

FABRIC INFORMATION

ACT Symbols:

Collection:

Odyssey Collection

Width:

54" [137 cm]

Contents:

78% Wool, 14% Flax, 8% Nylon

Finish:

Repeat:

Cleaning:

[Fabric Care](#) » S (Solvent)

Usage:

Upholstery, Drapery

Weight:

16 oz [496.06 g/m.]

Note:

TECHNICAL SPECIFICATIONS

Wear Test:

Over 40,000 Double Rubs
(Wyzenbeek, Cotton Duck)

Pilling:

Class 3.0 (ASTM D3511)

Fire Resistance:

Passes NFPA 701 Small Scale,
Passes California Bulletin 117: 2013
UFAC Class 1 NFPA 260 Class 1

Crocking:

Dry: 4.5 Wet: 4.5 (AATCC 116-2013)

Breaking Strength:

Warp: 147 lb Fill: 102 lb

Seam Slippage:

Warp: 87.7 lb Fill: 94.5 lb (ASTM D4034)

Lightfastness:

60 Hours Class 4.5 (AATCC 16)
