Mesa

## 8227 Mesa

Mesa, reminiscent of stoneware pottery found in southwestern culture, brings a rustic sophistication to commercial and residential projects. With a hand-woven look and intriguing texture, the 54" upholstery creates a contemporary design in a blend of thick linen and viscose chenille yarns. Mesa's acrylic backing offers stability and an abrasion resistance over 50,000 double rubs (Wyzenbeek, Cotton Duck) lends durability. Offered in a pallet of six earth-tone hues, such as Swimming Fish turquoise, Beeswax yellow and Flying Bird blue, Mesa takes you back to your roots.
