9065 Vesper

Let the evening light shine in through Vesper, a 100% linen with an open weave, making it more transparent than other draperies. Sheer slub yarns in the warp and weft add variation in texture and color while maintaining a soft and crisp hand. Available in natural shades, this 54" drapery is perfect for residential interiors. It is exceptionally well priced and can be treated to pass NFPA 701 Small Scale for contract applications.
